

## Ohio State Highway Patrol Retirees' Association

January 16, 2019

Dear fellow OSHPRA members,

Your Ohio State Highway Patrol Retirees' Association is called upon throughout the year to support various activities benefiting our retirees, as well as our active members. Some of these endeavors are matched with funding from our partners; the State Highway Patrol Federal Credit Union, OSHP Auxiliary and Ohio Troopers' Coalition. Often we take on a leadership role with our contributions.

Our treasurer, Brenda Collins, has put together the attached listing of 2018 activities with the costs paid by the Association. Many are annual obligations while the Patrol's Anniversary Gala is a remarkable event occurring every five years.

We just wanted you to see where your membership dues are going and the many things happening behind the scenes. It's a pretty good return on investment for you.
